FALL 2015

LOOKING AHEAD 2015-17 and beyond

Did I really say I'm retiring in 2017 last spring? I wasn't getting calls in 2014 and wondered if my career was over. It appears that you were just taking a break! I am getting more calls for family reunions, pilgrimages, cruises and special itineraries for the past several months.

The 2016 river cruise is coming together with 4 couples and room for 4 more couples or even singles. Until October 1205, Avalon Cruises (part of Globus Family of brands) is waiving the single supplement fee and offering a discount when 2 share a stateroom. Minimum cabins have only windows but the better staterooms are designed with floor to ceiling triple pane sliding glass doors with French balcony railing. When two panels are open, the whole stateroom is a balcony. The bed even angles to face the view. The angled wall gives the bathroom larger space. The Danube cruise to Nuremburg cruise begins with overnight stay in Budapest and ends with time in Prague. The stops appeal to those with history, fashion, culinary, architecture and music interests. A guided tour is included at each stop, almost daily. If you are interested please give me a call. I expect to have a flier by the end of the month.

I continue working at the Cruise ship Piers in Seattle in summer, which is fun. I meet happy people beginning their journey to Alaska. I feel like I have come full circle in my career. I am still serving the Seattle Archdiocesan Council of Catholic Women as President until October 2016. In August, the organization was hosted by Norwegian Cruise Line for lunch. It was a fun event and great lunch that brought more awareness to the purpose of the group. The sampler cruise on the back offers the opportunity for those who have not cruised to give it a trial run from Vancouver to Los Angeles with a stop in San Francisco. Don't wait? Travel while the dollar is strong and the price of gas reasonable.

Priceless Senior Jaunts (Short trips for local churches)

When is a trip Priceless? When you come onboard the bus and get more than you can on your own. Requested by a local church but open to friends and interested adults, these day trips will create community among the participants, provide group discounts, open eyes to unusual sites 90minutes to 2+ hours away in the comfort of a deluxe bus. These **Priceless**

Senior Jaunts will be market priced to include deluxe motor coach transportation, a lunch, snacks, admission, taxes and onboard guide. They will be offered on the fourth Thursday of alternate months. These **Jaunts** are little journeys, adventure excursions that will include a historic or emersion site, plus something fun like a casino, shopping outlet, or outdoor park. Each trip will include **prayer, snacks, and jovial fun**. Pricing is based on inclusions (ie. admission, snacks meals) number of participants, and size of motor coach, mileage, and driver time.

In the planning stages are possibilities of Leavenworth WA, Historic churches of Seattle or Tacoma, Museums around the sound, Holiday Light Festivals, and a boat ride. If you have a desire to get out for the day, this might be for you.
