Kathleen:

We would just like to drop a line to thank you very much for your hard work and organization of the Carving Cruise. We had a wonderful holiday and our first cruise experience was terrific.

Take care and thanks again.

Howdy!

I tried to send you this yesterday but it came back so here's a second try! We just wanted to thank you for all the little extras you gave us on the cruise. We had a great time! We were so lucky with the weather.

So thanks again! P & C

Hi Kathleen, we just wanted to send you a great big thank you for the amazing cruise experience that we had. You are an incredible travel agent. We were so pleased with the gifts that you gave us and the little surprises like dinner at the Pinnacle. Please know that your extra touches were noticed and very much appreciated.
Sincerely, Hillary and Steven Lund (Idaho)

Dear Kathleen,

I had a great time on the carving cruise, but wish there had been more time for carving. Lew did a nice write-up of his memories, which follows. On the next cruise I think I will have to allot time for their computer lab in order to learn how to handle my photographs.

Our best to you, **James**

New Boundaries by Lewis Sander Jan. 20, 2010

On this cruise I was fortunate to have booked a cabin with its private lookout deck where I could sit to gaze at the expanse of ocean, pleasant and meaningless since, like sky, it lacks those boundaries needed for identity.... Sure there are other scenes I could easily rave about from glass blowers, to magnificent cathedrals, to cactus gardens displaying more than one hundred different species. But for me, the greatest treasure of the cruise is that swelling awareness of land and sea....
